

# STRAIGHT-LOAD HORSE TRAILERS

Whether you own hundreds of horses and are trailering them all over the country or you just have a few favorites that need to go somewhere special, Kiefer trailers will take you and your performers there in comfort. Our easy-pulling, easy-loading line of straight-load trailers with well-refined interiors are establishing industry benchmarks for quality and performance. Kiefer is moving forward with an entire lineup of trailers in 2 to 8-Horse configurations built specifically for you and your discipline. **Let's go riding together!**
